EIRCODE IS THE NEW POSTCODE SYSTEM FOR IRELAND. During July a letter will be sent to all addresses in Co. Clare, notifying them of the 7 digit Eircode for that address. Your address does not change, you simply include the Eircode at the bottom of your address. There are many benefits to using Eircode, including making it quicker and easier for medical emergency services and others to locate addresses. It is safe to give an Eircode to anyone you would normally give your address to.

“SENT OUT IN PAIRS”

To preach his word, he sent his disciples in pairs,
For we do not live our faith alone.

Like a river gathers its fullness
From the smaller rivers flowing into it,
We grow in faith from the faith of others.

In prayer together,
In sharing struggles of faith,
In helping another in sorrow,
In gathering together to work for justice-
Whether in pairs or large groups,
We are engaged in the work of Jesus,
The one who worked with and sent others
On his work of God.
(Donal Neary SJ)
