APOSTOLIC WORK SOCIETY CELEBRATES 30 YEARS: This Sunday 17th January, 2021 the Parish Apostolic Work Society celebrates 30 years in existence. The branch has been an active organisation in the parish that has contributed significantly to community life since 1991. The primary activity of the group is providing aid to missionaries and lay people working in developing countries. We congratulate all who are involved in this great Parish Ministry of support for the Missions and local church. The display is always a remarkable event that displays the talent and commitment of these ladies through making and embroidering of liturgical garments such as vestments, altar cloths, knitwear the making of children's clothes, toys and fundraising to provide financial aid for buildings such as churches, schools and hospitals. The current members of the branch are very grateful to all those who have supported the organisation over the past 30 years including both active and honorary members. They also remember with fondness the commitment of its founding members in 1991 and of deceased past members, without whom the branch would not have flourished. The display also includes sacred vessels and mass kits which are purchased from donations in thanksgiving or in memory of loved one. It is the hope of the group that they will be in a position to meet up in the not too distance future anyone interested in supporting the work of the group are invited to contact any member of the branch for further details of its meetings activities and fundraising events.

Where do you live?

The question of the disciples to Jesus
Where do you live? Is the search for truth,
love and meaning.

And you ask is sometimes in peace;
you sit by peaceful water or rushing waves,
or in a quiet room, and wonder without worry.

Or you hold a hand and know you are loved,
and you live in the world of love,
and you wonder in joy at the source of it all.

Or you struggle with loss and hurt,
or with loneliness and confusion
and the question hurts and you wish it would go away.
And the question leads to meaning, to truth, and to love.

Come and see: by prepared to be surprised
by beauty, joy and peace, by courage and by strength.

Come and see: be prepared to be open to the love of another so that it can change you.

Come and see: and you will know that God lives,
and you're glad to ask the question: **Where do you live?**
