Dear Lord, be with the displaced and the migrant. Be with those who have lost contact with their families. Be with those who long for a friendly face. Be with those who long for a loving touch. Be with those who are weary and find it hard to keep going. Be with those who are cold and long for a warm fire and a cosy chair. Be with those who sleep on hard ground and long for a comfortable bed. Be with those who have no home. Be with those who long to feel safe from wars and hatred. Be with those who are hiding from vile people. Be with those who have lost hope.
