**Sadly, religion can get distorted,  
and give rise to conflict and division,  
Nevertheless, religion has a great capacity to break down barriers,  
And to make people more tolerant and more loving.  
Of all the things that draw people together,  
Worship alone has the power to turn them into a loving family.  
Lord, kindle in our hearts the fire of your love.  
May we express that love in our dealings with one another,  
and then the world will know that we are your disciples.
