MAJOR REPAIR WORKS

We are privileged to be custodians of three fine churches which are lovingly cared for by so many volunteers. Periodically issues arise which necessitate urgent major work. You are probably aware of flooding problems in Inch church and escalating problems with leaks and storm damage and deterioration to roofs in Connolly and Kilmaley. The work we have embarked on will fix immediate problems and ensure protection of the structures in the future. A letter from the Parish Property and Finance Committee is being sent to each household in the parish outlining the extent of the work and plans to fund it. Facing into this work, we have a substantial amount of the funding in place, thanks to the tremendous generosity of most of you reading this newsletter. While we would welcome donations specific to this project if you are in a position to do so, we are also reaching out to all residents of the parish especially those who have not yet had the opportunity to contribute financially. Furthermore, there are many loyal Kilmaley people around the world who have fond memories of celebrating significant life moments in our churches. You might help spread the word to these, your family and friends, and invite them to take this opportunity to help ensure that these churches will be continue to be available to celebrate Baptisms, First Communions, Confirmations, Weddings, Easters and Christmases as well as being places of comfort in times of grief into the future. The letter has options of how they can be part of this effort. Once again, thank you most sincerely for your tremendous support of your parish.
