### MAJOR REPAIR WORKS **UPDATE**

Our Major Repair Project to address flooding problems in Inch church and escalating problems with leaks and storm damage and deterioration to roofs in Connolly and Kilmaley, is now well underway! **The most urgent jobs in Inch and Kilmaley have been completed and you will see progress in Connolly very soon.** Facing into this work, we have a substantial amount of the funding in place, thanks to the tremendous generosity of most of you reading this newsletter. While we would welcome donations specific to this project if you are in a position to do so, we are also reaching out to all residents of the parish especially those who have not yet had the opportunity to contribute financially. Furthermore, there are many loyal Kilmaley people around the world who have fond memories of celebrating significant life moments in our churches. You might help spread the word to these, your family and friends, and invite them to take this opportunity to support their home parish. **The good news is that online donations from new donors are already starting to come in. To all who support the parish, we appreciate your generosity!**
