FIFTH SUNDAY IN ORDINARY TIME

The mass is composed of two principal parts: Word and Sacrament. In the first part, we are invited to listen to God’s word, not a passive response but an activity which can transform us. Our scriptures come from a Jewish background. When the Jewish people were celebrating an event of the past, it was as if that event were present to them at the moment of the celebration. As we celebrate the Lord’s supper today that event is made real for us now.
